

ROUTE 54X | NORTH SMITHFIELD EXPRESS (NEW ROUTE)

Changes to Route 54 Woonsocket/Lincoln will make that service significantly faster. In addition, a new Route 54X Woonsocket Express will be introduced to provide true express service in the Route 146 corridor. Existing Route 90 Cumberland Park-n-Ride service would also be incorporated into the new Route 54X.

Proposed Changes

- Implement new Route 54X North Smithfield/Lincoln Express trips that would operate between a new park and ride lot at Brigido’s Market (900 Victory Highway) in North Smithfield and downtown Providence. From the Brigido’s Market park and ride lot, service would operate to the Lincoln Mall Park-n-Ride lot, and then express to Kennedy Plaza (bypassing CCRI and Twin Rivers).
- Provide three AM inbound and three PM outbound trips.
