

## ROUTE 58 | MINERAL SPRING

Route 58 Mineral Spring/North Providence operates between Smithfield and downtown Providence via Waterman Avenue and Mineral Spring Avenue in North Providence. Due to its complicated scheduling and irregular frequencies, the route is difficult to understand and ridership is low.

### Proposed Changes

Route 58 would be combined with Route 73 Providence/Fairlawn and reconfigured to operate between Georgiaville Manor and the Pawtucket Transit Center (rather than Kennedy Plaza) via Smithfield Commons. This change would improve crosstown service to Pawtucket, and reduce duplication along Charles Street. In addition, to provide service consistently every 60 minutes throughout the day, low ridership variant services would be discontinued:

- Operate reconfigured route between Georgiaville Manor in Smithfield and the Pawtucket Transit Center via Smithfield Commons, Putnam Pike, Mineral Spring Avenue.
- Replace Route 58’s Charles Street segment with reconfigured Route 51 Charles Street service, which would operate between Kennedy Plaza and CCRI-Lincoln via Charles Street and Louisquisset Pike.
- To enable the provision of service at consistent headways, discontinue very low ridership variant service into Esmond Village in Smithfield and Sunset Terrace in North Providence and discontinue pull-ins into Stop & Shop parking lot.
- Operate service with consistent headways:
  - On weekdays from approximately 6:30 AM to 6:30 PM, ever 60 minutes throughout the day.
  - On Saturdays from approximately 7:30 AM to 5:30 PM, every 120 minutes throughout the day.
  - On Sundays from approximately 9:00 AM to 5:30 PM, every 120 minutes throughout the day.
- Operate service as Route 73 Mineral Spring/North Providence.

### Related Changes, Benefits, and Service Impacts

- Route 51 Charles Street, which would provide local service between CCRI Lincoln and Kennedy Plaza via Twin River Casino, Louisquisset Pike, and Charles Street.
- Route 73 Fairlawn/CCRI, which would be consolidated with Route 58.
