

ROUTE 71 | BROAD STREET

Proposed

Route 71 operates between Cumberland and the Pawtucket Transit Center via Central Falls. The route largely serves residential neighborhoods and clusters of commercial activities, as well as downtown Pawtucket.

Proposed Changes

Route 71 would be extended southward along Pawtucket Boulevard in Pawtucket to the Ocean State Job Lot to replace Route 99 service along Pawtucket Avenue that will be discontinued with the implementation of R-Line service. In addition, service frequencies will be adjusted to better match service with demand:

- Extend service southward from the Pawtucket Transit Center along Pawtucket Boulevard to the Ocean State Job Lot.
- Adjust service levels to better match demand, and operate service with consistent service frequencies:
 - On weekdays from 6:00 AM to 6:30 PM, every 30 minutes throughout the day.
 - On Saturdays from 6:00 AM to 6:30 PM, every 60 minutes throughout the day.
 - On Sundays from 8:00 AM to 5:00 PM, every 60 minutes throughout the day.
- Discontinue Lincoln Manor variant service, which has not ridership.
