

ROUTE 88 | WOONSOCKET SOUTH (NEW ROUTE)

Woonsocket is a densely developed area that has a significant amount of latent transit demand. The success of Route 87 Fairmont/Walnut Hill indicates that there is demand for additional fixed-route service in other areas of Woonsocket. Route 88 would be a new route that would expand service coverage in Woonsocket and operate between the Super Stop & Shop on Smithfield Road in Smithfield and CVS Headquarters in Woonsocket via Woonsocket Depot.

Proposed Route 88

- Develop new Route 88 Woonsocket South route that would operate between the Stop & Shop on Smithfield Route and CVS off of Mendon Road via Woonsocket Depot. From Stop and Shop, it would operate via Smithfield Road, Providence Street, Main Street, Hamlet Avenue, Cumberland Hill Road, Park East Drive and Highland Corporate Drive to CVS headquarters.
- Provide service on weekdays and Saturdays, on weekday every 30 minutes during the day and every 60 minutes in the evening, and on weekends every 60 minutes.
