

HOW TO USE THIS MAP

The Rhode Island Public Transit Authority (RIPTA) welcomes you on board our buses. Hop on and enjoy the ride!

This system map helps you identify which areas of Rhode Island are served by RIPTA routes. The map also shows key points of interest and landmarks to help orient you. The map is broken into several views: This side has a statewide map with close-ups of Downtown Providence, Kennedy Plaza, and Newport, while the other side has a Metro Providence map showing Providence, Warwick, Pawtucket, and surrounding areas.

Using the legend below, you will see that we offer high-frequency routes in and around the capital city of Providence. You can use this map to plan a trip, or you can use our trip planner at RIPTA.com. Our website also has schedules for each route.

Below are details about some of our special services highlighted on the map:

R-Line: Shown in green on the map, RIPTA's rapid bus line offers high-frequency service, running every 10 minutes during the day and every 20 minutes at night, with limited stops for faster trips.

Park & Rides: Shown in purple on the map, these strategically located parking lots are free of charge to anyone who parks a vehicle and commutes by transit or carpool. See the table below for detailed location information.

Flex Service: Shown in orange on the map, Flex Zones serve suburban and rural areas with little or no bus service. Flex service allows passengers to reserve rides by calling ahead, catching Flex Vehicles at Flex Stops, or requesting stops anywhere within Flex Zones. Call the Flex Line at 401-784-9500, ext. 1222 to schedule 24 hours in advance.
